

ENROLMENT POLICY

Brisbane Catholic Education established Mt Maria College, Mitchelton, to serve families seeking a Catholic education for their children. We welcome students and families who support the expressed values and special religious character of the College.

Enrolment decisions are made by the Principal and supported by the College Board operating in accordance with this policy, and Brisbane Catholic Education policies.

The following considerations have been established to assist the Principal in determining enrolment offers and support alignment between the values, ethos, and goals of the college and those of the applicants and their families. Each application will be assessed with considerations such as:

- Priority for students who are baptised Catholics who demonstrate that they share the values of the College.
- Whether the student is the sibling/child of a current/past student of the College.
- The degree of involvement by the student and parents/caregivers in their current school, parish, or community; and their willingness to contribute positively to the College community.
- The history, character, reputation, skills, and motivations of the individual student including their educational and behavioural history.
- The parent/caregiver's commitment to support College policies and processes.
- The parent/caregiver's commitment to meeting the payment of College fees and levies.
- The student's potential contribution to the College community.

The Principal may include the following as further considerations when making decisions to offer a position:

- The College's capacity to cater for the talents and needs of each student.
- The availability of places in a cohort when considering current and future cohort needs.
- Whether the prospective student requires reasonable educational adjustments, and if the College is equipped to cater for these for the balanced benefit of the student and the broader College community.

While students enrolled at a Catholic primary or secondary school will be given priority, enrolment is not automatic or guaranteed.

Enrolment Offers

Enrolment of students who require significant educational adjustments will follow guidelines set down by Brisbane Catholic Education. It is the responsibility of parents/caregivers to disclose all relevant information regarding a child's special needs at the time of making application for enrolment.

Non-disclosure of any information relevant to the application for enrolment may result in discontinuation of the enrolment process or withdrawal of a student's enrolment.

Parents and Caregivers Conditions of Enrolment

In accepting an offer of enrolment, parents/caregivers agree to commit to working in partnership with the College for the benefit of their child. There is an expectation of ongoing support for and commitment to:
