Uniform Philosophy

The College uniform is a symbol of school pride and a reflection of the high standards upheld by our community. Students are required to wear the complete and correct College uniform neatly and with care at all times, during school hours, at official College functions, and while travelling to and from the College.

Wearing the uniform appropriately demonstrates respect for oneself, fellow students, and the traditions of both current and past members of the College community.

All items of the College uniform are to be clean, pressed, and properly fitted to ensure a neat and professional appearance at all times.

Please refer to the College Uniform Policy for further clarification.
